# The Freshman Experience

The freshmen participatd in many activities this year, becoming a mature group of students. At the middle left, K. Paugh determinedly plays golf. Beside her, S. Hand accepts an Easter egg from K. Miller. At the bottom left, C. Shifflett, K. Gessinger, and S. Conrad dress backward. Right, K. Dyck, S. Blucker, and C. Kauffman practice for band.

CLASS OFFICERS: (left) S. Conrad, R. Klotz, and L. Smith.

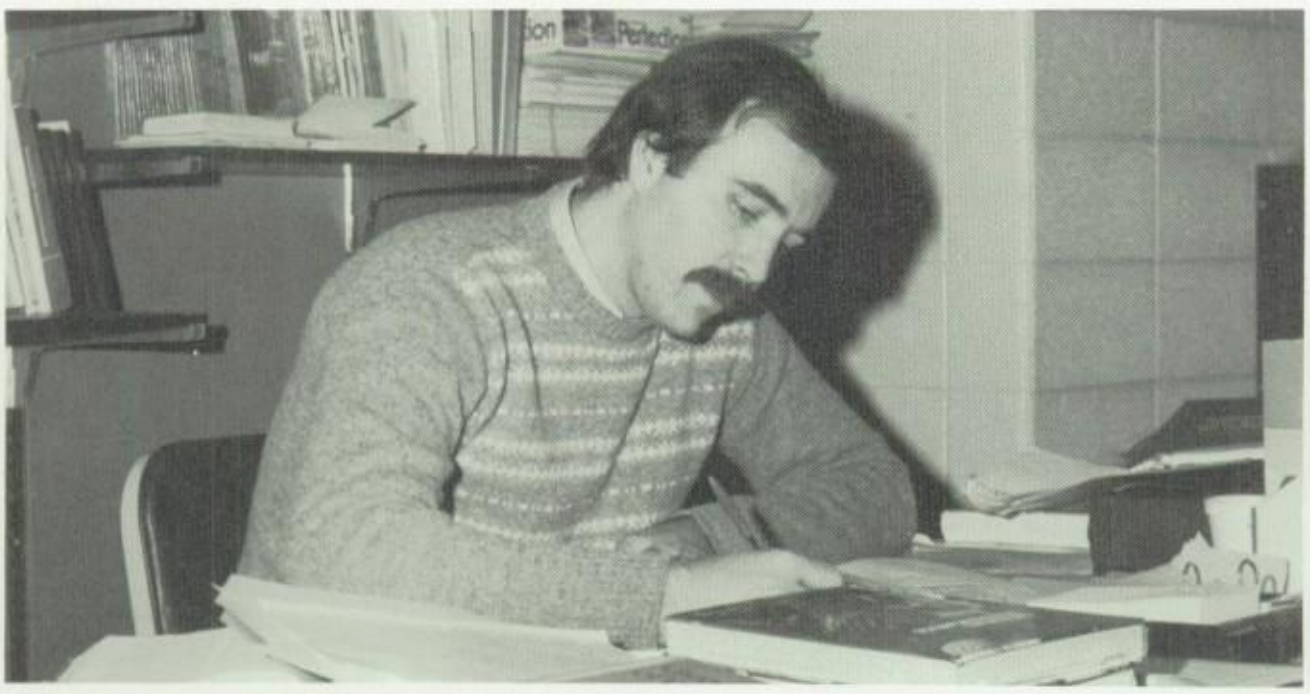
# Help in Times of Need!

The librarians, counselors and the special education teacher all have related jobs in that they work closely and personally with students. Their services are highly appreciated.

Just below, counselor S. Munsell is planning with R. Snook. In the bottom right corner, counselor R. Fields is comtemplating his next activity.

LIBRARIANS: D. Bigler, A. Harvey

COUNSELORS: **Left:** W. Slagle, S. Munsell, R. Fields



SPECIAL EDUCATION TEACHER: T. Owens

# Student Workers

The office and guidance assistants devoted at least one hour of their time every day for helping out. Office assistants answered the phone, helped the principal, vice principal, secretaries, and students in many ways. The guidance office assistants helped Mrs. Loucks and ran errands.

The library assistants were kept busy checking shelves, taking care of books, and many other miscellaneous jobs. They were a great help to Mrs. Harvey and Mrs. Bigler.

GUIDANCE: First row: D. Baker, J. Shively, T. George, C. Sheets, T. Patliff. Second row: C. Jessup, K. Anglin, S. Walter,B. Nobel.

OFFICE: S. Johnson, S. Steiner, S. Suter, C. Graber, L. Shank, L. Farmwald, B. Stichter.

## Cook and Clean!

The jobs that the cooks and janitors perform are many and varied. Their job experience is rather like cleaning and taking care of a gigantic house, while cooking for an army of people. The cooks have been doing their excellent job of preparing appetizing menus, and the janitors are busier than ever with the enlarged facilities. Therefore, several new janitors have been added.

FAR LEFT: J. Culp carries out the garbage. Beside him, J. Newland busily mops up the activity center gym floor, and in the bottom corner, cook T. Gessinger enjoys a moment of fun.

JANITORS: S. Slabaugh, E. Yoder, C. Miller, J. Newland, and J. Culp.

SECRETARIES: C. Bowers, S. Loucks, F. Arnott, and N. Rensberger.

## Efficiency and Speed

The secretaries may not be the most publicized school personnel, but they are among the most important as they keep all the many cogs of the school humming smoothly.

They efficiently and carefully cope with ordinary, but important jobs that are always present. The basic areas in which they work are in the main office, guidance office, and the bookstore.

The school nurse is also important. She contributes to school life by keeping health records, checking sight and hearing, and offering words of comfort.

NURSE: H. Stackhouse.

C. Bowers at work in the bookstore.

# In High Places

The headaches and the benefits of running a school rest heavily on the shoulders of the principal and vice-principal. They are responsible for making some long-lasting decisions for NorthWood, which are not always greeted favorably, but are necessary nonetheless. One benefit of the job is that they occasionally find time to enjoy themselves with the student body.

UPPER LEFT CORNER: Principal Michael Keppler. Beside him is Vice-Principal Phil Lehman.
BOTTOM LEFT: M. Keppler in a moment of leisure.
BOTTOM RIGHT: M. Keppler conversing with Assistant Superintendant, Jerry Lelle.

Superintendent W. Dorsey, Seated: Assistant Superintendents J. Lelle and J. Miller, Standing.

ADMINISTRATION SECRETARIES: Seated: J. Riley. Standing: J. Engle, R. Eastlund, P. Elliot.

SCHOOL BOARD MEMBERS: Seated: R. Pippenger, L. Wagner, J. Graybill. Standing: R. Abel, L. Andrews, P. Parks, R. Sloat.

# "Uptown" Staff

The School Board and Administrative staff from the "uptown" office worked hard all year to keep things running smoothly. Important decisions were made concerning finance, transportation and buildings.

TOP LEFT: Mrs. Rhoade, hard at work.

TOP RIGHT: Mrs. Larsen preparing lessons for the next day.

MIDDLE LEFT: Mrs. Korenstra shows her stuff.

MIDDLE RIGHT: Mrs. Yoder, on her way to class. Mrs. Neibert takes over for Mr. Troyer.

BOTTOM: Mrs. Biltz helps out K. Graber.

# We're building your new home.

There's a very good chance that someday you will buy a site-delivered home. A home that's designed by housing professionals, engineered and built in a factory, and delivered to your piece of land.

If you like, it will come complete with furniture. It will certainly include all your major kitchen appliances, probably even some timesavers that haven't yet been invented. There will also be carpeting on the floor and curtains at the windows.

We build the forerunners of your new home every day, right here in Nappanee. Fairmont Homes, Inc. is the largest manufactured housing operation at one location in the world, occupying nearly 100 acres.

Photo above:
Fairmont Homes, Inc. corporate headquarters (top left) and manufacturing plants.

Photo left:
Nostalgia decor gives a warm and welcome look to this Fairmont Home.

In less than a decade we've become the leading builder of site-delivered housing in the Midwest. We'll be here when you're ready for a home of your own.

## We believe in the future of site-delivered housing.
## And we believe in you.

# Troyer Benefit A Success

$3,286 dollars were raised on April 1st by the Senior class and the NorthWood Faculty who sponsored a benefit for Mr. Roger Troyer. Suffering from a rare disease, Mr. Troyer spent 3 months in Elkhart General Hospital and at Mayo Clinic. People in the Wa-Nee Community really supported the benefit to help defray some of his expenses.

Some of the events that were going on during the evening were a pie auction, shoot for a pie, and two ballgames featuring the administration, local fire and police departments, the NorthWood faculty and several senior guys. This page is dedicated to Mr. Roger Troyer.

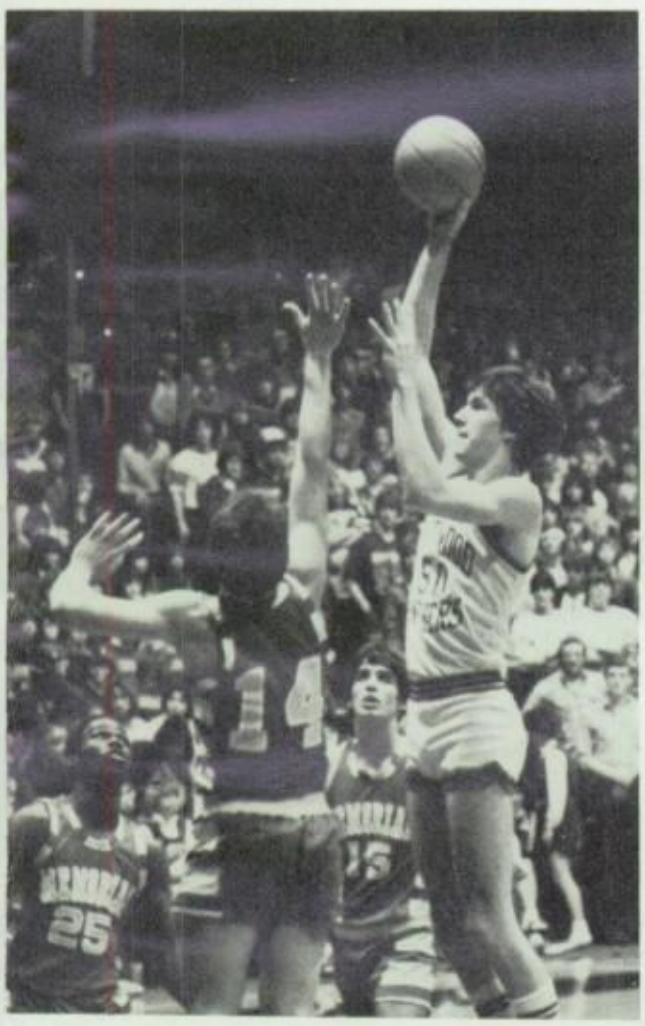
EXIT



During this year, we, the students of NorthWood High School, have shared in some exciting times, either in small groups or as the entire student body. The yearbook staff is happy to give the Wa-Nee community the opportunity to see what really goes on at NorthWood, and to share in some of the exciting times.

I would like to give a special thank you to Bud Miner for letting us use a camera and for his time taking and developing the pictures. I would also like to thank Mrs. Sandra Korenstra who has helped me greatly in all areas. I would like to thank the Junior Editors, Andy Preston and Kerry Brich, and the rest of the yearbook staff.

I hope that our year at NorthWood displayed in this LOGUE will always be a happy memory, and that you will keep Tunin' In to the days at NorthWood High School.
